*In every life
There's a pause that is better than onward rush,
Better than hewing or mightiest doing;
'Tis the standing still at Sovereign will.*

*There's a hush that is better than ardent speech,
Better than sighing or wilderness crying;
'Tis the being still at Sovereign will.*

*The pause and the hush sing a double song
In unison low and for all time long.
O human soul, God's working plan
Goes on, nor needs the aid of man!
Stand still and see!
Be still and know!*
