Family Prayer

Dear God, you are with us always. By your grace we are continually forgiven our sins and brought back from exile. In Jesus' name, we thank you. Amen.

TALK ABOUT IT

Family Conversations

- 1 What is something very difficult that you have needed help with?
- 2 Have you ever felt really homesick? What and who did you miss?
- 3 In what ways does it help to know that God is not only in one place?
- 4 Whisper something you want to share in the ear of the person next to you. Have that person act as prophet. Next, the prophet can whisper to the person on his or her other side who can act as prophet, etc. until everyone has a turn.

Eye Spark

This week look for people at school who may feel out of place. What could you do to make their day easier or less lonely?

Ear Spark

Listen for stories about people who are far from home. Say a prayer for them, asking that they feel God's presence.

LIVE IT

For families to do together

As a family, pick a new recipe from another culture to try at a meal this week. Remember the Israelites who had to learn to live in Babylon.

For younger kids

Look through books for pictures of people from other places.

For older kids

Research the music from a culture of your choice.
