A decorative mosaic border runs horizontally across the bottom of the cover. It features a repeating pattern of circular motifs in shades of blue, green, and brown.

**LENT 2026**

Lent is a sacred season of the church. Churches observe the season in different ways. The United Methodist Church calls its members to a time of repentance and self examination. As we focus on the last days of Jesus' ministry we look at our lives and ask God how we need to change to be more like Jesus. During Lent 2026, we will begin with an Ash Wednesday service which is a service of confession, repentance and commitment to the journey of growing a little more in our faith. I am excited to build on last year's changes to Holy Week and do some other new things this year.

I encourage you to read through the Lenten mailer for information on all the church will be offering. Take some time to pick out the different programs and services you can be a part of that will help you to get your heart and mind into a rhythm of hearing from God in this season. I want to highlight the services of Holy Week and the Lenten Reader as key opportunities to lean into the season.

I also want to challenge you to follow the Lenten practice of Giving Up/Adding On. This means we choose something to either give up or take on that will help you get closer to God. The act of giving up is usually something where you will have to depend upon God not to do it. The same is true for adding something into your life. This is usually something that you will need God's help to consistently do, like fasting or starting a new Bible study.

My prayer for you during Lent 2026 is that you are able to hear God's calling upon your heart. God's desire is that we grow a little bit more consistently in developing the ability to love like Jesus and align our lives to the Truth of God. May God bless us all as we enter into this season of reflection, surrender and love

## SERMON SERIES

What if one chapter of Scripture could reshape the way you understand your faith — and the rest of the Bible? This year, we will journey through Romans 8, one of the most powerful and hope-filled chapters in all of Scripture. N.T. Wright suggests that Romans not only offers deep theological insight into our faith, but also provides a lens for understanding the entire Bible. And within Romans, chapter 8 captures the very heart of what the book — and the Christian life — are all about. Each week, we will explore key passages that illuminate Scripture and reveal foundational truths that anchor our hope and shape our lives.

## LENTEN STUDIES & DEVOTIONAL

Many of our Sunday School classes will be studying a specific Lent curriculum during the season. Please consider visiting a new Sunday School for the weeks of Lent. Sunday School is a great way to grow deeper and build community! If you would like to add personal study we have developed a 40 Day Devotional based on the Hymns of Charles Wesley. They can be picked up in the atrium, church office, or on the church website.

As the beginning of Lent, Ash Wednesday emphasizes our sinfulness before God and our human mortality. When we receive the ashes upon our head the pastor will say, "To dust you have come and to the dust you will return. Repent and believe in the Gospel". Ash is the symbol of lament and humbleness as we begin a journey of renewal that will end in victory on Easter Sunday. Nursery Available.
