THIS WEEKEND'S GOSPEL MEDITATION

Matthew 22:1-14

Some friends invited me to one of the most famous and expensive restaurants in the country. I was grateful and eager to go. One invited friend even flew from another state for the experience. Every bite and sip was truly memorable and delicious. But my friends' teenage children spent much of the time on their phones, complained about the food, and generally ignored the once-in-a-lifetime experience. I wanted to yell, "C'mon, you guys! Look what you're missing!"

In today's parable, Jesus describes people invited to an amazing wedding feast who respond with inexplicable indifference. He says, "Some ignored the invitation and went away, one to his farm, another to his business" (Matthew 22:5). The problem is not that they choose evil but that they allow other desires to distract them from an amazing opportunity. The feast is prepared, but their hearts are elsewhere. In Christ Jesus, God offers each of us a wildly extravagant offer: a place at the wedding banquet between heaven and earth.

What are your current excuses for the delay in engaging with Jesus? How are you postponing a deepening of your relationship with him under the guise of responsibility? The good news is that the feast is ready. His invitation remains. Hear the Lord say to us, "C'mon, guys! Look what you're missing!" Then respond with concrete action.

— Father John Muir

PRAY WITH SCRIPTURE

Lectio Divina

15 minutes each day spent in God's presence — reading, reflecting, responding and resting with his Word — adds up to 90 hours in one year. That is time well spent and a testimony to how a little at a time turns into something remarkable!

Is 45:1, 4-6/Ps 96:1 and 3, 4-5, 7-8, 9-10/1 Thes 1:1-5b/Mt 22:15-21

Reflection questions for Sunday, October 18th

- Cyrus, king of the Persian Empire, learns that God plans to use him to rescue his people, Israel. Have you ever felt God has used you to help someone else?
- Paul speaks in gratitude for the faith of the Thessalonians and the presence of the Holy Spirit in their midst. What are you thankful for this week?
- The Pharisees and the Herodians are unable to trap Jesus in his words. Do you feel equipped to defend the Faith from others who may challenge you?

READ. REFLECT. RESPOND. REST.

OCTOBER IS RESPECT FOR LIFE MONTH

Pink and Blue Flag Campaign

*"Before I formed you in the womb I knew you, and before you were born I consecrated you."
(Jeremiah 1:5)*

There are 3,123 abortions that occur in a single day. Since the anniversary of Roe vs. Wade on January 22, 1973, more than 63 million babies have been aborted in the United States alone.

With your consistent prayers, more Americans are becoming pro-life. As Catholics, we need to continue to offer our support to women as well as to families, reinforcing Christ's teaching that life is precious. There are many agencies and support groups throughout the Milwaukee Archdiocese that are ready to help them.

One such group you can join to help mothers or get help for them is our own St. Charles Respect Life/Elizabeth Ministry group. Email Nancy Neuser at nneuser1@gmail.com for more information or to get help for someone.

MEAL NETWORK

The Meal Network, a ministry of the St. Charles Hospitality Team, provides home-cooked meals to parishioners during significant life events such as welcoming a baby, illness, surgery, or loss.

Interested in volunteering? Volunteers sign up through the Meal Train to provide meals when needed. Interested in receiving a meal? To request support for yourself or another parishioner, please contact the Parish Office.

LOVE— *Until the Last Breath*

Our lives are gifts from God.

Assisted suicide, which denies the dignity of human life, is gaining influence in our world.

This Respect Life Month, we are reminded that intentionally causing the death of an innocent person is always wrong, regardless of the circumstances or a person's condition.

Throughout October, the Archdiocese of Milwaukee is providing opportunities to learn more, including presentations at parishes. Go to www.archmil.org/love-until-the-last-breath for details.

Our Buddies Program allows students in different grades to know each other better. Recently our 4th Graders visited 4K to read books and work on puzzles!

S'MORE FUN!

At the beginning of the school year students explored the different forms of heat in science. As a fun, hands-on lab activity, they learned how solar radiation can be used to create heat by designing and building solar ovens from pizza boxes. Using a variety of materials, students engineered their ovens and then put them to the test by baking delicious s'mores using the power of the sun!
