ATTACHMENT B – Report of the 227th General Assembly Commissioners

227th General Assembly Lake Huron Presbytery Commissioner Report

September 15, 2026

“Persevering Toward Wholeness”

Greetings from your General Assembly Commissioners,

Last December, you elected Teaching Elder Rev. Andrew Miller, Mt. Pleasant First, and Ruling Elder Linda Kennan, Midland Memorial, as your commissioners to the 227th General Assembly. Over the two weeks from June 21st to July 2, we witnessed a faith-filled and diverse gathering of commissioners, delegates, volunteers and staff dedicated to prayerfully discerning the future direction of the church, making the subsequent decisions on implementation across PC(USA) and celebrating God in daily worship, devotion and prayer. Thank you for allowing us to represent Lake Huron Presbytery in Milwaukee.

The first week was spent in hybrid committee meetings. All overtures, reports and other items of business were divided amongst 11 committees. The committee leadership teams were gathered in Milwaukee while commissioners, advisory delegates, advocates and other speakers participated over Zoom. Linda was honored to be asked to moderate the Climate & Environmental Justice Committee and Andrew served as a commissioner on the Reformed Identify in the United States Committee.

PER CAPITA FOR 2027 & 2028

The Assembly’s decisions are taken with awareness of the financial implications on the 2027 & 2028 per capita. As each item is debated and amended, each item of business is assessed in real-time for future per capita implications. The 227th GA actions will result in an approved GA per capita increase (additional amount on top of the basis per capita) of \$2.10 in 2027 and \$1.45 in 2028.

REFORMED IDENTITY IN THE UNITED STATES COMMITTEE (RUS)

There was a total of fifteen items of business. Nine of the items of business were approved on the consent agenda and the other five were discussed on the floor of plenary.

RUS-01 *On Taking Action to Repudiate Christian Nationalism and Affirm Our Faith Commitments*

This item of business was approved by the body of the General Assembly by 485 affirmative and 15 negative as amended. This action requires presbyteries’ vote for or against the following addition to Book of Order with the adding a new section F-1.0305 as follows:

“Faithful Witness in Public Life

The church affirms its calling to bear faithful witness in public life, speaking and acting from the example and teachings of Jesus Christ for justice, peace, mercy, and the dignity of all people. The church rejects any ideology that seeks to establish Christianity as a privileged or dominant force through the power of the state, or that conflates religious identity with national, racial, or ethnic supremacy. Such ideologies, in all their forms, are incompatible with the example and teachings of Jesus Christ, constitute a theological error, undermine the church’s faithful witness, and are contrary to the church.”

RUS-02 *On Commemorating The 250th Anniversary of the American Revolution*

This item of business was disapproved 361 to 108. The following comment comes from the RUS Committee:

“The committee commends the author’s intent of this overture in naming and recognizing our Reformed tradition and identity. The committee listened to a wide variety of differing perspectives in its debate and after considering the advice from advisory and advocacy committees, the committee respectfully urges the assembly to disapprove this overture. The committee’s concern is not with teaching Presbyterian history; the concern is with how this overture frames that history. Advocacy Committee of Women and Gender Justice (ACWGJ reminds commissioners that RUS 02 “risks sanctifying a narrative that binds the Church’s witness to a national origin story rooted in conquest, exclusion, and the erasure of Indigenous peoples, particularly women and gender expansive persons.” The overture also risks elevating American identity in unhealthy ways, which the committee spoke to with its action on RUS-01 and RUS-07. The committee in no way discourages people from taking pride in their Presbyterian heritage and its contributions to American civil society. At this moment, the church needs to be living into our interconnected global identity, with humility as Reformed Christians.”

RUS-10 *The Report of the Special Committee for a New Confession*

This item of business was approved 382 to 39. This action adds \$0.03 to the 2027 Per Capita and \$0.04 in 2028. RUS-10 authorized a new Special Committee to study and consider revising and rewriting, if deemed wise, the confession the previous Special Committee worked on. The newly created Special Committee is to report its work to the 228th General Assembly and is to invite the whole church to study and consider the confession. Medical and Pension Benefits

It is a long-standing value of the Presbyterian Church USA and our Presbytery that those who serve as ministers or pastors have their entire households, including spouses and dependents, provided with medical insurance. In 2027, it is the expectation of Presbytery that this continue to be one of our core values. No pastor should have to worry about whether their spouse and/or dependents are covered from medical events that can strike anyone, at any time.

That coverage can be provided through the Congregational Pastors Package or the Transitional Pastors Participation. Please consult the Board of Pensions website for the different coverages and costs each provides. There are also new benefits in each package so please take the time to figure out the various costs and what is most effective in your situation. Please feel free to call our Board of Pensions representative, Rev. Luke Choi, or ask Jessica Schira, the Presbytery Financial Secretary for help.
