

## **Presbytery of Lake Huron Mission Grant Application**

The Mission Coordination Committee meets regularly to review grant requests. Following approval by the committee, any grant over \$5000 must also be approved by the Presbytery Council. Please be as detailed as possible, including additional pages or documents if needed. An interview may be requested if the Committee has any questions. If awarded a grant, a follow-up grant report will be required within six months. You may be asked to share the impact of your mission project with the Presbytery.
