

# QUESTION & ANSWERS

Here is this month's question about God and Jesus. Answer it in the lines below.

## ★ QUESTION:

### How Do I Know God Loves Me?

You can know God loves you because He shows it in so many ways every day! God made you on purpose, with special gifts, talents, and a one-of-a-kind personality. You aren't an accident—you were created because God wanted you in His world.

God also shows His love through Jesus. The Bible tells us that God sent Jesus to help us understand what God is like and to bring us close to Him forever. That's how much you matter to Him!

And finally, God's love shows up in your everyday life—when He gives you people who care about you, when He comforts you when you're sad, and when He listens to your prayers. You don't have to feel happy all the time to know He loves you. His love is steady, no matter what.

If you ever wonder, "Does God really love me?" remember this: **God loved you first, God loves you right now, and God will always love you.**

Write or draw about a time when you felt God's love in your life.
