

Travel Notes #2: Cover this on the bus ride to the boat

WELCOME TO THE JUNGLE!

Prayer of thanks

This is God's Trip

Teach the Discipline of Disturbance:

It's expected that you will be exhausted and disoriented at this point. Don't be disturbed by it; accept it as an opportunity for growth. We love control, but God does his most outstanding work when we realize we're not.

WHEN YOU GET TO THE BOAT

Our goal is to get the luggage off the bus and on the boat,

Grab your bags and extra if you can

If at the AO base, be careful of the steep ramp to the boat, especially past the gate.

Place checked bags on the bottom deck and take a carry-on to the hammock

Guys, return to the bus until all the luggage is on the boat

No worries with Boat Shoes today; just dust off

ON THE BOAT

Ladies on the second deck, guys on the third (some adult groups choose not to do this)

Leaders need to be at the back of the boat for easy access/ let people know where their hammock is located

Luggage:

1st floor- leave all checked bags inside the white lines

2nd floor, carry-ons, and personal items go under your hammock

3rd floor, carry-ons, and personal items go in cubbies

Don't forget to grab your personal items from your checked bags

Keep your area tidy and organized

Snacks and drinks on the third floor if needed (take it easy on the highly caffeinated

Barre/Guarnana)

Mealtime will be at ???

The 3rd deck must start rolling hammocks and setting up tables before breakfast.

Early risers and night owls go to the front of the boat to visit while the team is sleeping.

PASSPORTS

Collect passports and have three one-gallon Ziploc bags to store them

Offer also to lock up the team's wallets until needed at Stuckey's.

Priority should be to get passports locked and secured on the boat

Find the lead translator to help you give them to the Captain

BOAT ESSENTIALS

The name of our boat reminds us of the purpose of our trip...bringing the love and hope of Jesus to the villages.

If on Amor e Esperanca... Love and Hope

If on Linda Esperanca... Beautiful Hope

Bathrooms and showers are on the 2nd floor

Please lock doors (Can't Unsee!)

Flush toilet paper only, no feminine products

Hold the flusher until all is flushed

Don't drink from the sinks; only the water dispensers on each floor
