

Weekly Devotion for October 14

My Way

by Mike Wirth

I am the way and the truth and the life. – John 14:6

I didn't have to hear the famous song "My Way" to know that's what I wanted. How could it get better than doing it my way? That's what I thought, and I believe many others do as well. When I think back on events in my life, I realize I did have some success and enjoyment doing things my way, but I also realize my way didn't always work out the best. Something was missing. That's when I remembered God's words, "I AM the way."

When you are used to being the one making all the decisions, it's not easy to let go and let God take over, but I am trying to do just that. I find that relying on him gives me a sense of peace and comfort. As the famous song says, "I stood tall and did it all my way," now, however, I say, "I stand tall and try to do it all Thy way."

Thank you, Father, for giving us a charted blueprint to follow for our daily living, knowing we don't have to face it all alone. In Jesus' name, Amen.

Journaling:
Have you experienced times when your way wasn't always the best?
