

March Newsletter

New Series:

This Easter, we're pointing your high schooler toward what God's love for us looks like in action in a series called LOVE. To do that, we're guiding your teen to see Jesus' life, death, and resurrection as the ultimate act of love and good news for everyone who receives it.

MORNING TIME

As your teen starts their day, slip a note in their backpack, bag, or lunch telling them that you believe in them.

MEAL TIME

At a meal this week, have everyone answer this question: "What are some ways Jesus showed us how much God loves us?"

THEIR TIME

When's the last time you hung out with your teen and did something they enjoy to do? If it's been awhile, schedule a time to have fun with them—with no agenda unless they bring something up.

BEDTIME

Pray that you and your teen will, to the best of your ability, understand how much God loves us, and how we can operate out of that security.
