

# Discussion Guide

*Discussion Guides accompany the [weekly message](#).*

## **Opening Activity:**

Think about something you trust deeply (a person, system, or source). What made it trustworthy to you—and has that trust ever been tested?

## **Read:**

Acts 2:14-36

Acts 2:42

1 Corinthians 15:3-8

## **Discussion Questions:**

1. In Acts 2:14-36, Peter builds his message using Old Testament Scripture. What does that reveal about how truth is recognized and confirmed in Scripture?
2. Peter highlights four truths about Jesus (God endorsed, raised, exalted, declared Him Lord). Which one stands out most to you right now—and why?
3. Why do you think Peter's audience initially misunderstood what God was doing? Where do we still misinterpret God's work today?
4. Acts 2:42 says the early church "devoted themselves" to the apostles' teaching. What's the difference between being interested in Scripture and being devoted to it?
5. Looking at 1 Corinthians 15:3-8, how does eyewitness testimony strengthen your confidence in the gospel message?
6. The sermon emphasized Scripture as our "trusted source of truth." What voices or influences compete with God's truth in your daily life?
7. When has God's Word clearly guided a decision or season in your life? What made you trust and follow it in that moment?
8. The early believers didn't just learn truth—they built their lives around it. What would it look like for your current routine to reflect that kind of devotion?
9. Acts 4:13 shows ordinary people living boldly because they had been with Jesus. Where is God calling you to live out your faith more visibly or boldly?
10. If your life were shaped more deeply by God's Word over the next month, what would change first—your thoughts, habits, priorities, or relationships?

## **Challenge for the Week:**

Set aside 10 intentional minutes each day to read and reflect on Scripture. Write down one truth you see and one way you will live it out—then come ready to share one example next week.
