"I'm Extra Special!"

by Pastor Robert Schrader

This last summer, I bought a new pair of shorts (actually my mom bought them for me, she makes sure I stay somewhat in style). On the cardboard tag that was hanging on them it said, "I'm extra special."

Maybe it was talking about the shorts (they are a nice pair!). But I read it like it was telling me that "I'm extra special." That made pause and ask: why? "Why, Old Navy, am I extra special?"

I feel like this is a message that we hear a lot. We're taught to affirm everyone. Advertisements tell us all that we're each unique and beautiful in our own way. Songs and movies promote the message that each of us is exceptional.

And just like I asked my shorts, I'll ask these sources: why? For reasons that I'll get to in a moment, I truly do believe that each and every one of us is extra special. However, outside of a Christian worldview, I think these claims are entirely baseless.

Think about it. Our culture predominantly believes that we only exist because a dense ball of matter exploded and created the universe, in which, through random chance, single-cell organisms were able to form, from which, through more random chance, homo sapiens eventually came into existence. According to this theory, each and every one of us is a very ordinary collection of particles that came together purely by accident. In

other words, we're entirely insignificant and there's nothing on which to base the claim: "I'm extra special."

If someone were to tell you otherwise, don't be afraid to ask, "Why?" I encourage you to do some Christian apologetics, engage them, and have them think about it — make them defend their position. But also, always be ready to come back and tell them that they actually are extra special. And when they ask, "Why?" You can tell them...

First, you're special because God determined that you were worth creating. When you think about it, there are quite literally an unlimited number of possibilities for how God could have arranged the atoms,

Continued on page 2

molecules, and cells that make up your body. But he decided to organize them into 'you.' You're not an arbitrary conglomeration, rather God "knit (you) together in (your) mother's womb" which means that you are *"fearfully and wonderfully made"* (Psalm 139:13-14). You really are extra special — because God created you!

Second, you're extra special because God said so. Psalm 8:5-6 says of man, *"You have made him a little lower than the heavenly beings and crowned him with glory and honor. You have given him dominion over the works of your hands."* When he created the world, God decided that human beings would be extra special. We're the only part of creation that was made in God's image, the only part of creation into which God "breathed...the breath of life", the only thing that God created after which he said it was "very good."

Third, you're extra special because God redeemed you. John writes: *"In this the love of God was made manifest among us, that God sent his only Son into the world, so that we might live through him. In this is love...that he loved us and sent his Son to be the propitiation for our sins"* (1 John 4:9-10). When Satan and his angels rebelled against God, he didn't save them. But when humans rebelled against God, he put in motion a plan to save us. And he did so in the most personally tragic fashion — he sent his

Son to die on the cross for our sins. To God, you are so extra special that he sacrificed the most special thing that exists — himself — in order to redeem you.

Finally, you're special because God wants to spend eternity with you. To God, you're so desirable that not only did Jesus die on the cross for you, but afterwards he rose from the dead and ascended to *"go and prepare a place for you"* (John 14:3). You are so extra special that he reserved a room for you in the most lavish, most wonderful place that exists!

Now, this is all quite incredible, isn't it? I don't have to try to convince myself against all odds that "I'm extra special" in order to keep my self-esteem from faltering. I don't have to buy all the latest styles or do all the coolest things or achieve the most impressive results. I don't have to fool myself into thinking that somehow I'm great on my own, nor do I have to climb the impossible mountain of proving my worth. Instead, "I'm extra special" — not because of who I am or what I've done — but because of who God says that I am and because of what God has done for me. And that's a firm base on which to stand, on which to live, on which to die, and on which to live forever!

The other day, I was walking outside the church, and I noticed one of the stained-glass windows — it looked

terribly ugly. It was dark, splotchy, and unattractive. But then I went inside, and I looked at that same window — now it was beautiful! It was colorful, bright, and lovely. What was the difference? I viewed it from the proper side; I saw the sun shine through it, not reflect off of it.

It's the same with ourselves. No matter how hard we try, we'll never really be able to convince ourselves that we're special if we let God reflect off of us, if we ignore him. The reality is, that in and of ourselves, we're like the outside of that window — ugly. But if we view ourselves from another perspective, if we let God and his light shine through us, then, because of him, our true beauty, our true significance, our true glory is unmistakable. Because of God, "I'm extra special" — and so are you!

Thank You from Helping Kids

Now that 2023 has ended and we look forward to 2024, we can't express our gratitude enough for the support from all of you to the Helping Kids program. Without you there would be no program and many kids would not have the basic necessities. Whether it be a monetary donation, school supplies, food, or prayer, we give sincere thanks for your generosity and kind hearts. Since the beginning of the 2023-2024 school year kids have been helped with:

- 72 school back packs with supplies
- 109 items of clothing for all the schools
- 149 hygiene items for the middle and high school
- 20 packages/boxes feminine products
- 12 boxes of snacks to assist in classrooms
- 18 boxes of food
- 16 pairs of shoes
- 12 water bottles
- 16 jackets and snow pants
- 20 winter boots, hats, and gloves

We are currently helping 3 families with food boxes each month, and we provided them with a Thanksgiving and Christmas food box so they too could have a holiday meal. There is an additional family we assist with non-perishable, microwaveable food when needed as they do not have access to a frig or stove. The needs are great in our community and because of your generosity, we can help meet those needs.

Thank you for your continued support and helping to “*carry each other's burdens*” (Galatians 6:2)

Blessings to all for a happy, health and prosperous 2024.

The cold temps and snowstorms did not keep our Confirmation students down! We continued strong in our lessons during the month of January! In February we start to work on our final units of the year! It is also retreat season for our confirmands. These retreats are an important part of their learning and it's awesome to see friendships grow and strengthen. We had a great year of FISH and our High School helpers did a great job running games all year long.

Youth Group

Youth Group on Sunday nights had a great month with some awesome theme nights. Bingo night was filled with many laughs and lots of great prizes! Game night held some great competition. We have really enjoyed exploring how Jesus raised up the 12 disciples during Bible study. We look forward to February as we get to serve together and enjoy some time at the Falls Aquatic Center.

Young Adults

St. Paul Young Adults

had a great time on a few different occasions in January. We celebrated with all those home from college. We gathered for a breakfast-for-dinner event with a white elephant gift exchange. Both are great events to connect with our young adults.

Watch social media for future events!

Youth Mission Team

Our Youth Mission Team had a great time at their second meeting/training. We talked about the importance of communication while on a mission trip. We also made some big decisions regarding our trip. Please keep this group in your prayers as they continue to grow and serve! Thank you so much for your support during our Seroogy's candy bar sale!

Children, Youth, and Family events

We had a great turnout at our **Children, Youth, and Family** Roller skating event! We had a great time skating around the rink and doing the limbo competition. Thank you to everyone who came out in the cold!

Reasons to Celebrate

Who doesn't love a great celebration? It's an opportunity to deviate from daily routines in order to acknowledge something truly special or remarkable. Over the past few months, the Crusader family has had numerous occasions to celebrate:

- LHS varsity boys basketball coach, Nick Verhagen, was recently honored as the winningest coach in LHS history, with 236 wins and counting.
- The Crusader varsity girls basketball team broke several school records this season: junior Addy Verhagen now holds the record for assists (325) and steals (201) and recently scored her 1,000th point; senior Faith Pape ranks #1 in school history for rebounds (736) with senior teammate Alex Stricker in 2nd place with 626.
- Neat Repeats Thrift Store surpassed \$4 million in all-time sales.
- 21 exceptional students were inducted into the National Honor Society.
- 14 talented musicians were recently selected to the Big East Honors Choir or Band.

We also celebrated the gift of Lutheran education during National Lutheran Schools Week, January 21-27. Did you know there are only 103 Lutheran high schools in the US, in 31 states? That means 19 states do not even have ONE Lutheran high school. That really puts into perspective how blessed we are to have Sheboygan Lutheran literally in our

backyards. Rooted in God's Word, LHS is a place to excel academically while being equipped and prepared for lives of Christian leadership; a place to be loved, nurtured, and welcomed by teachers and staff who genuinely care; a place where faith is strengthened, prayer is encouraged, and individual gifts are celebrated.

The theme for the 2024 National Lutheran Schools Week was "Connected," inspired by John 15:5:

"I am the vine; you are the branches. Whoever abides in me and I in him, he it is that bears much fruit, for apart from me you can do nothing!"

The theme emphasized the importance of staying connected to God and to one another when we face challenges and difficulties and when we celebrate in joys and triumphs.

Please join me in continually celebrating and praying for Sheboygan Lutheran High, our SALSA elementary schools, the daycares, early childhood programs, and Sunday Schools of our association congregations, and all those providing faith-based education throughout our nation!

CelebrateRecovery®

A CHRIST-CENTERED 12 Step program

We CELEBRATE God's amazing healing and restoration!

**Did you know... that 2 out of 3 people attend
CR for NON-addiction issues?**

We all have struggles. What do you struggle with?

Depression, Anxiety, Anger, Feelings of Unworthiness and Being Less Than, Paranoia, Perfectionism,
Obsessive Thoughts, Co-Dependency, Loneliness, Control, Fear, Resentment, Addiction to Food, Drugs,
Sex, Bad relationships, Unforgiveness, Money Issues, Emotional or Sexual Abuse, Pornography,
Jealousy, Selfishness, Judgement of Others, Unfaithfulness, etc.

Principle 2

Earnestly believe that God exists, that I matter to Him, and that He has the power to help me recover.

"Happy are those who mourn, for they shall be comforted." (Matthew 5:4)

Step 2

We came to believe that a power greater than ourselves could restore us to sanity.

*"For it is God who works in you to will and to act according
to His good purpose" (Philippians 2:13)*

Hope and Sanity – When we can admit our denial and powerlessness over our hurts, hang-ups, and habits then we can begin to experience Jesus' grace and mercy. He gives us HOPE to overcome and restore us to SANITY. We finally see the light in the darkness, and we begin to move from chaos and lies from the enemy to peace by the healing power of Jesus Christ. We take a first step in trusting Jesus. Through the work that we do in this program we see that He can and will restore our lives and our relationships.

Are you ready to take that first step in your journey of recovery from life's difficulties?

You were never meant to walk this life journey alone...

Come join us at Celebrate Recovery!

Your forever family is waiting! You are not alone!

**Celebrate Recovery follows a Christian 8 Principal / 12 Step process
to heal from life's hurts, hang-ups, and habits!**
