SUMMER SUNDAYS 2026

SHEPHERD BIBLE STUDY

The Texas Giant is a roller coaster that slowly sends riders up 153 feet before dropping them back down at high speeds. At the top of that incline, a sign states, "Wait! Let's discuss this!" A similar thought might have been on the minds of the other disciples when Peter asked to join Jesus walking on the water!

When the disciples saw Jesus walking on the water, they were terrified. But as soon as Jesus spoke to them in the boat and identified Himself, Peter saw an opportunity. He asked for Jesus to command him to come, stepped out of the boat, and started walking toward Jesus.

Peter wanted to be where Jesus was even if it meant leaving his comfort zone. Peter left the security of the boat and took a risk. God calls us to do the same. He calls us to step into the challenges He sets before us, even when the task seems difficult or even impossible.

This story also shows us that when we step out in faith, challenges are to be expected. The wind was fierce, and the waves were intimidating. And when Peter shifted his focus to the situation around him, he began to sink. The writer of Hebrews tells us to keep our eyes on Jesus as we run the race of life (Hebrews 12:1-2).

Even in Peter's failing, he discovered the goodness of God. When Peter cried out, "Lord, save me!" Jesus immediately reached out His hand and lifted him up. God's grace meets us in the middle of our weaknesses. Even when our faith falters, He is faithful, ready to rescue and restore.

Peter shows us that following Christ with boldness will draw us closer to Him. We will experience a deeper relationship with our Savior as we take risks for Him. Each act of obedience, every step taken in faith, brings us closer to Him and gives us courage to face the next challenge.

This week, help kids look past the distractions and storms of life as they fix their eyes on Jesus as the Savior they need.

OUTLINE

Welcome and Arrival

8:55-9:05

Welcome the children and mark them as present on the attendance sheet on the clipboard by the door.

Choose one or several of the following activities to organize as the children arrive.

Walk on Water

- Lay out blue bulletin board paper on the floor to represent water. Gather the kids and explain they will pretend to walk on water like Jesus. Invite kids to take turns walking across the “water” while they say today’s theme: “Jesus is Trustworthy!” Encourage the kids to keep their balance as they walk and talk.
- **SAY** You pretended to walk across the water. Could you walk on real water? [Allow responses.] Only Jesus can walk on water! Jesus showed us that we can trust him by walking on water. He is powerful and loves us. When we trust Jesus, we don’t have to be afraid when hard times come.

Sings Songs about Jesus

- Lay out the printed titles of familiar songs on the ground. Let kids take turn tossing beanbags onto them. When a beanbag lands on a sheet of paper, sing the song together. Repeat as time allows.
- **SAY** We sang songs about Jesus together. These songs teach us that Jesus saves us, which means we can trust in him! I love to learn about the amazing things Jesus did! We can praise him and trust him because he loves us and has promised us that we will live with him forever if we believe in him.

Make Playdough Footprints

- Pass out playdough to each child. Help them to make foot shapes by rolling and shaping the dough. You may also choose to make footprints by making a flat circle and pressing their fingers into the dough to make a foot impression. Talk about feet and the many places people use their feet to walk.
- **SAY** Where are some places your feet have taken you? Have you walked on a sandy beach or climbed on a rocky hill? [Allow responses.] In today’s Bible story, we will hear about a surprising place where Jesus walked.

Story Station (Large Group 2).....9:10-9:30

Project Station (Classroom)

9:35-9:55

Make Waves

- Find the Jesus printable in your bin . Distribute a paper plate and glue stick to each child. Set blue tissue paper squares within reach. Instruct kids to glue the blue tissue paper squares to the plate to make it look like the sea. Guide kids to glue a Jesus figure on top of the blue tissue paper to make it look like He's walking on the water.
- SAY I am amazed at all these wonderful sea crafts you created! Jesus showed us that we could trust him by walking on water. In the middle of the storm, Jesus walked on the water and calmed the storm. He told Peter not to be afraid and kept Peter safe. When we trust Jesus, we don't have to be afraid when hard times come because Jesus is with us wherever we go.

Discuss what the children learned during the Bible Story today. Use the main Takeaways as a guide to your discussion.

- We can trust Jesus! If we keep our eyes on Him, we do not need to be afraid.
- We can look to Jesus for help when we fear or doubt.
- Jesus walked right into the middle of a storm to be with his disciples. He wanted to help them and save them.
- Jesus is all-powerful - He has control over all things, even the wind and the waves.
