

Bibles for Christmas

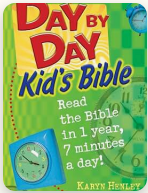

Kids' NIV Visual Study Bible

This is the Bible we gave to our first graders, September 2026.

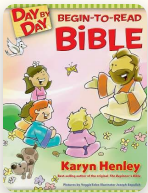

Kids' Quest Study Bible

This is the NIV and the Bible we use in the 1st-4th grade classrooms here at LEFC.

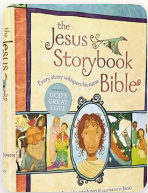

Day by Day Kid's Bible

This solid, chronological paraphrase of the narrative of Scripture was developed and written for kids ages 7-10. It's a great read-aloud option if you are looking to read through the Bible with your kids!

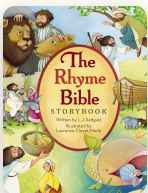

Day by Day Begin-to-Read Bible

Are your kids learning to read? This is a wonderful paraphrase option for beginning readers!

The Jesus Storybook Bible

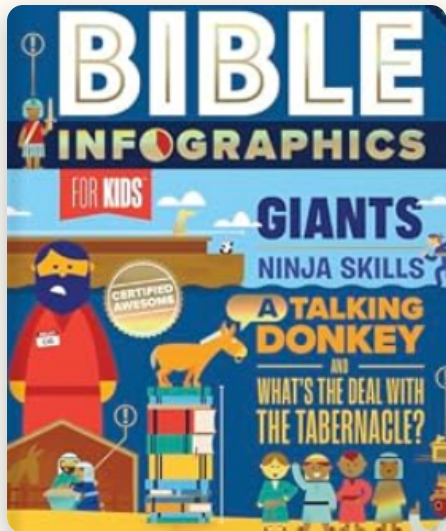

Help your child see how every story in the Bible points to Jesus! Written by Sally Lloyd-Jones and beautifully illustrated, it shares God's great love in simple language children can understand and remember.

The Rhyme Bible Storybook

Classic Bible stories from the Old and New Testaments, retold in read-aloud rhyme with eye-catching art. Ideal for ages 4-8!

Bible Infographics for Kids

The Bible is far from boring, but sometimes it can feel that way to kids. Help your child see just how fascinating Scripture can be!

✦ There are 7 books in the series!

This colorful visual reference turns big concepts, key people, and fun facts into infographic spreads that make the Bible easier to explore and understand. From creation to God's promises for the future, young readers learn about a wide range of Scripture. Each topic is presented in a lively, approachable way.

Inside, kids will

- ✦ revisit familiar stories and subjects in a colorful, engaging format
- ✦ discover memorable details and comparisons from across Scripture
- ✦ connect key people and events from Genesis through the New Testament
- ✦ play a foldout Bible timeline game tracing God's plan from Genesis to Revelation
