FROM DEATH TO LIFE | APRIL 20, 2025

SERMON RECAP

God had a plan to rescue us from death—the death of His own Son. When we trust in what Christ accomplished, we have life in Him eternally.

THE LEAD IN

- How has someone sacrificed for you? What did they give up and what did it mean to you?

GETTING INTO THE TEXT

- Read John 10:7-18. Jesus calls Himself the Gate and the Good Shepherd. How do these names express His authority? What does He have authority over?
- Acts 2:22-24 tells us about God's plan to rescue us. Why is it important that Jesus' death and resurrection were part of God's deliberate plan and not reactionary to human plans?

GOING DEEPER

- To cross over from death to life, we must hear and believe. Why must belief be deeper than just intellectual knowing? Do you struggle to believe, even if you know the truth? If your belief is more than head knowledge, how has it changed your life?
- Being a new creation in Christ changes everything! How does seeing both life and death through the lens of Christ's sacrifice and resurrection change the way you make choices, set goals, and have hope for the future?

PRAYER

- Thank God for the resurrection and the promises that are now yours! Ask Him to help you to live as one who has crossed over from death to life.
