## HE IS GREATER | JANUARY 25, 2026

### SERMON RECAP

*There is one way to know whether the influences in our lives are from God or of the world: do they acknowledge that Jesus Christ has come in the flesh?*

### THE LEAD IN

- Share something that you used to be able to do, but for some reason or another have lost confidence your ability to do it and no longer can.

### GETTING INTO THE TEXT

- Read 1 John 4:1-6. What is the key test that John gives us for recognizing God's Spirit so we can be assured we're not being led astray by something or someone opposed to the gospel?
- What connections does John make between overcoming, listening, and knowing truth?

### GOING DEEPER

- What are the influences in your life that you're listening to? How do you discern if those things are true? Do they seek control of the throne of your heart, or do they keep Christ there?
- The theme of our sermon series is assurance in Christ. How does verse 4 encourage you personally as you live in a culture that is in a spiritual battle between the Spirit of God and the spirits of the world? Does the verse always feel true for you?

### PRAYER

- Pray together for discernment to recognize the Spirit and truth that will build confidence and root you in Christ.
