THE LOVE OF GOD IS JUST DIFFERENT | FEBRUARY 8, 2026

SERMON RECAP

God's love is a different kind of love; holy, initiating, and sacrificial. As His love grows in us, it changes how we love others and assures us that we belong to Him.

THE LEAD IN

- Finish this sentence: I feel most loved when someone _____.

GETTING INTO THE TEXT

- Read 1 John 4:7-16. How is love defined and how has it been shown to us by God?
- How does the love we see in this passage, both the love shown to us by God and the love we are called to show to others, give us assurance that we are truly God's children?

GOING DEEPER

- Where is God's love growing in you? Where do you see growth in how you love people? Where is that still hard?
- Tony challenged us to make Him, and our love for Him, the center of our orbit. What practical rhythms help you keep learning His heart (scripture, prayer, worship, serving, etc.)?

PRAYER

- Pray prayers of thanksgiving for the love that God has shown to you and then ask God to help you love others well.
