WALK, DON'T RUN | MARCH 15, 2026

SERMON RECAP

Truth is necessary. False teachers seek to distort or “improve on” truth, but we know the unchanging truth incarnate, Jesus Christ.

THE LEAD IN

- Share with the group about a time someone tried to improve something that really didn't need improving? How did it go?

GETTING INTO THE TEXT

- Read the whole letter of 2 John. Verse 6 speaks to love and obedience. Why is it important that they are so intertwined?
- Verses 7-9 speak of deceivers who “run ahead” rather than continuing in the teaching of Christ. What does continuing in the teaching of Christ mean and what happens when we stray from it?

GOING DEEPER

- In verse 9 we read that continuing in the teaching of Christ brings us into relationship with the Father and the Son. How does holding to the truth about Jesus deepen your relationship with Him, not just your knowledge about Him?
- Tom warned that a church can be asleep at the wheel by assuming truth rather than actively seeking it. Evaluate your own life. Where are you prone to coast spiritually? How can this Life Group help each other continue walking in truth and love?

PRAYER

- Ask God to help you faithfully walk in love and in truth so that you see your love deepen for Him and for others.
