Use these questions in your Life Group gatherings or for further discussion as a family.

## OBEDIENCE IS A STEP OF FAITH | APRIL 12, 2026

### SERMON RECAP

*Obedience is a step of faith. Those who take the step discover that God leads, guards, and blesses those who follow where He calls.*

### THE LEAD IN

- Have you ever stepped into something unfamiliar like a new job, a move, or a big commitment without knowing how everything would turn out? Why did you take the step?

### GETTING INTO THE TEXT

- Read Genesis 12:1-9. God gives Abram two commands—to go and to be a blessing. What does God ask Abram to leave behind and what does He promise in return? What stands out to you about Abram’s response?
- The author of Hebrews reflects on what made Abraham’s obedience possible in Hebrews 11:8-16. What was it that helped Abram to keep moving forward without looking back?

### GOING DEEPER

- Tony identified a few barriers that cause us to delay or ignore what God asks us to do: the unknown, leaving people you love, leaving places you identify with. Do any of those resonate with you? Are there other barriers you’ve experienced in your own life?
- What does it look like to long for a better country, a heavenly one, like Abraham did? What things of earth do you struggle to hold loosely that end up keeping your focus here rather on what’s to come?

### PRAYER

- Ask God for the courage to walk in obedience and to use your life to be a blessing to other around you for His glory!
