GOD IS STILL SPEAKING | JUNE 21, 2026

SERMON RECAP

God is still speaking. Getting to know His voice begins with an open heart and humble spirit. Is he calling your name?

THE LEAD IN

- Whose voice would you immediately recognize, even in a loud or crowded space? What makes their voice so familiar to you?

GETTING INTO THE TEXT

- Read 1 Samuel 3. Samuel was serving in the house of the Lord yet didn't know His voice or even know Him. How could this be? What does verse 1 say regarding this?
- What does John 10:14-16 tell us about how Jesus feels about those He calls? What is His desire for us?

GOING DEEPER

- God still speaks in many ways. Tony shared six: through Jesus, through His Word, through the Holy Spirit, through prayer, through others, and through visions and dreams. How have you heard the voice of God in those ways? What has He said to you?
- As Samuel was, you can be in the house of the Lord and yet not know the Lord. What is different between knowing about God and truly knowing God? Where are you on the spectrum between the two? How can you know God more intimately?

PRAYER

- Ask God for a humble and discerning heart to hear His voice, however He may speak to you, and to respond with joyful obedience!
