SERMON RECAP

In a noisy world, drifting can be subtle. There is a message to combat drift, furious obsession with God's message—Jesus.

THE LEAD IN

- Share about something in your life like a friendship, habit, or hobby that slowly faded away without you noticing? When and how did you notice the drift?

GETTING INTO THE TEXT

- Read Hebrews 2:1-4. Two dangers are identified: drifting and ignoring. How are they different? How has God confirmed this salvation we are not to drift from or ignore?
- Hebrews 2:1-3 and Hebrews 4:12-13 form an inclusio (*a theme at the beginning and the ending of a section to frame the message inside*) pointing to God speaking as the big idea. How did God speak in the past? How does He speak now? Why is Jesus the better Messenger?

GOING DEEPER

- Drift is subtle... barely noticeable. Where is drift happening, or has it happened, in your life? How would furious obsession with God's Word in your personal and family life combat the drift?
- Tom shared the story of the Apollo 13 astronauts having to keep the earth in their window to stay on course. What helps you keep Jesus in view during a busy or overwhelming week? What pulls your eyes away most often?

PRAYER

- Pray that God would give you the strength to be furiously obsessed with the Word and with Christ to combat drift and the temptation to ignore.
