CROWNED WITH GLORY | OCTOBER 4, 2026

SERMON RECAP

We were made for glory but live amid suffering. Jesus entered our suffering, conquered it, and is bringing us to glory.

THE LEAD IN

- Have you ever been somewhere out in creation (under the night sky, on a mountain, at the ocean) that felt overwhelmingly vast? How did it make you feel about your place in the world?

GETTING INTO THE TEXT

- Read Hebrews 2:5-13 and Psalm 8. We don't yet see the glory described in Psalm 8:8. But what does Hebrews tell us that we do see? What did Jesus' suffering accomplish?
- In Psalm 22, we read the shame David feels in the first 21 verses. But then there is a turn in verse 22. What is it that removes shame? How and why has Christ done this for us?

GOING DEEPER

- How are you suffering right now? Knowing that Jesus is our Pioneer, he has already walked the road of suffering and has blazed a trail for us, how can you persevere through that suffering and cling to Him?
- Do you have hope for the time coming where all will be restored, renewed, and made right? What can walking through the trials of life with hope look like practically, knowing that Jesus cares for you and awaits you in that future blessed hope?

PRAYER

- Pray with future hope in mind. Lift up your petitions to God asking for His care and nearness in your suffering and to give you confidence in His lovingkindness for you.
