DISCERNING THE HEART | NOVEMBER 8, 2026

SERMON RECAP

God sees everything in our hearts. His living Word cuts through our layers to expose us and to heal us.

THE LEAD IN

- Share about a time someone was able to see right through you and know something was going on without you saying a single word. How did they know?

GETTING INTO THE TEXT

- Read Hebrews 4:12-13. How does the author of Hebrews describe the Word of God? What does it do? How are these things both sobering and good news?
- Go back to Hebrews 3:12-15. We've talked a lot about our hearts the past few weeks. God's Word reveals His heart. How does the Word help us guard our hearts to keep them from being sinful and unbelieving.

GOING DEEPER

- God's Word cuts through all our layers. It judges our thoughts and attitudes, the outer persona we've created. We may fool ourselves but cannot fool God. Are there areas that you're hiding and ashamed of but desire God to reveal and heal?
- How has God's Word ministered to you throughout your life? How has it revealed dark places in your heart? How has it healed you? How has it drawn you closer to God's heart?

PRAYER

- Ask God to continue to use His active Word to draw your hearts closer to His, revealing sin and healing brokenness.
