

Who is Our Creator?

Colossians 3:10 Put on your new nature, and be renewed **as you learn to know your Creator** and become like him.

What do we discover when we get to know our Creator?

Ephesians 3:14-21

- 1. The Spirit of God that empowers us has unlimited resources.**
- 2. Our strength as a follower of Jesus comes from us being rooted in His love.**
- 3. We can't understand the love of God, but we can experience it.**

Questions to consider:

- a. How can knowing God had unlimited resources impact your life following Him?
- b. What does it mean to be "rooted and grounded in love"? How does that affect our understanding of who God is?
- c. Why is it so important to *experience* God's love, not just know about it intellectually?
