THE GOSPEL OF
JOHN

As a family of forgiven people, we are honored that you have joined with us today as we seek to develop people who delight in God and declare His glory—from our neighborhoods to the nations. Our prayer is that you will connect with God through Christ this morning and that this would be the beginning of a deep connection with other believers as well. Please take a moment to fill out the Communication Card located in the chair pocket near you and place it in an offering pedestal in the back of the Worship Center.

The Resurrection Changes Everything

John 20:1-29

Jesus' resurrection is completely transformative. Disciples who were forlorn, scared, and defeated up until the very moment that they encountered the empty tomb are then transformed into the lions of the faith that we know today. Mary's grief is transformed into joy. Thomas' doubt is transformed into faith. And Jesus calls us to be transformed by believing in His death and resurrection on our behalf, as well.

The resurrection is remarkably rational.

The resurrection is tremendously tender.

The resurrection is thoroughly transformative.

The resurrection is immensely intimate.

“I am the resurrection and the life.
Whoever believes in Me, though he die,
yet shall he live, and everyone who lives
and believes in Me shall never die. Do
you believe this?”

~ John 11:25-26

“The bodily resurrection of Jesus Christ
from the dead is the crowning proof of
Christianity. If the resurrection did not
take place, then Christianity is a false
religion. If it did take place, then Christ
is God and the Christian faith is
absolute truth.”

~ Henry Morris
