THE GOSPEL OF JOHN

As a family of forgiven people, we are honored that you have joined with us today as we seek to develop people who delight in God and declare His glory—from our neighborhoods to the nations. Our prayer is that you will connect with God through Christ this morning and that this would be the beginning of a deep connection with other believers as well. Please take a moment to fill out the Communication Card located in the chair pocket near you and place it in an offering pedestal in the back of the Worship Center.

The Dividing Line

John 5:16-29

There are many ways that the world seeks to divide humanity: 1. Socio-economically (the haves and the have-nots); 2. Politically (conservative or liberal); 3. Racially (white, black, yellow, brown); 4. Ability (educated or uneducated). And yet, none of those categories ultimately defines us. The ultimate measure of a person is how they respond to the message of Jesus Christ because He is the dividing line of human history. And He is qualified to be the ultimate measure of every person because He is the divine Son of God whom the Father loves. How we respond to Jesus is the most important thing about us.

Sermon Notes:

“I am trying to prevent anyone saying the really foolish thing that people often say about Him: ‘I am ready to accept Jesus as a great moral teacher, but I do not accept His claim to be God.’ That is the one thing we must not say. A man who was merely a man and said the sort of things Jesus said would not be a great moral teacher. He would either be a lunatic—on the level with the man who says he is a poached egg—or else He would be the Devil of Hell. You must make your choice. Either this man was, and is, the Son of God, or else a madman or something worse. You can shut Him up for a fool, you can spit at Him and kill Him as a demon, or you can fall at his feet and call him Lord and God. But let us not come up with any patronizing nonsense about His being a great human teacher. He has not left that open to us. He did not intend to. We are faced, then, with a frightening alternative. This man we are talking about either was (and is) just what He said, or else a lunatic, or something worse. I have to accept the view that He was and is God.”
