# THE GOSPEL OF JOHN

As a family of forgiven people, we are honored that you have joined with us today as we seek to develop people who delight in God and declare His glory—from our neighborhoods to the nations. Our prayer is that you will connect with God through Christ this morning and that this would be the beginning of a deep connection with other believers as well. Please take a moment to fill out the Communication Card located in the chair pocket near you and place it in an offering pedestal in the back of the Worship Center.

# When God Plays Second Fiddle

**John 5:1-16**

Worship that is disconnected from love and passion for God and His glory deteriorates into a hardened heart and insensitivity to the grace of God.

The setting of the passage:

“There is only one genuine cure for legalism. It is the same medicine the gospel prescribes for antinomianism: understanding and tasting union with Jesus Christ himself.”

~ Sinclair Ferguson

“Well may we be told to pray for the coming of God’s kingdom! Well may we be told to long for the second advent of Jesus Christ! Then, and not till then, will there be no more curse on the earth, no more suffering, nor more sorrow and no more sin.”

~ J. C. Ryle
