**HBC Annual Meeting Update:** This past Sunday the Lord blessed us with a wonderful day of worship as we looked back at what He has done and forward to what He is doing at Heritage Baptist Church. Pastor Marty again shared our vision and passion for being a gospel-centered church along with an exhortation about meaningful church membership. He also updated the church about future plans from the elders to ensure a smooth transition of leadership when that time comes. The 2023-24 budget was approved and the elders were affirmed with an overwhelming 99+% affirmation by the church family. May God be praised for the good work He is doing in our church family!

"It should come as no huge surprise that the secular world is confused and off-base about the identity and calling of women. But what I find distressing is the extent to which this has taken hold even within the evangelical world. We see the fruit of that revolution as prominent Christian speakers, authors, and leaders promote an agenda, whether subtly or overtly, that encourages women to define and discover their worth in the workplace, in society, or at church, while minimizing (or even at the expense of) their distinctive roles in the homes as daughters, sisters, wives, and mothers—as bearers and nurturers of life, caregivers, as those privileged and responsible to shape the heart and character of the next generation. The feminist revolution was supposed to bring women greater fulfillment and freedom. It was supposed to make us feel better about ourselves. But we see the poisoned fruit of the revolution in the eyes and pitiable cries of women who are drowning in the quagmire of serial divorce and remarriage and wayward children; women who are utterly exhausted from the demands of trying to juggle one or more jobs, function as single parents and be active in church; women who are disoriented and confused, who lack a sense of mission, vision, and purpose for their lives and who are perpetually, pathetically shrouded in woundedness, self-doubt, resentment, and guilt."

~Nancy Leigh DeMoss Wolgemuth

"The Body of Christ needs its women! It needs singles, newlyweds, mothers, grandmothers, aunts, "spinsters"—every last one of them. And it needs them to embrace the role God has given them without looking back. We have so much to do, and we have so little time to accomplish it all ... When God created mankind 'male and female,' He showed us that it takes both 'halves' to make up the whole of humanity. That our roles differ is a cause for rejoicing and glory—not a cause for shame or depression. When both roles complement each other beautifully, we demonstrate to the world a picture of God's divine image that is breathtaking to behold. We demonstrate the union of Christ and His Bride, the Church. Rejecting our roles or revising them to suit our individual tastes and plans is blasphemy. I didn't say it; the apostle Paul did."

## **The Roles of Men and Women in the Church** **I Timothy 1:11-15**

**Big Truth of this Series:** God has commissioned the people of God, the church, to be grounded in sound doctrine and to live in a godly manner according to His truth.

**Big Truth of Today's Message:** A healthy church preserves sound biblical doctrine on the identities and roles of men and women in the church.

The roles of men and women in the church (2:11-12).

- Men must teach and exercise authority in the church.
- Women must learn with all submissiveness and quietness.
- Women must not teach or exercise authority over a man.

God's intent for the roles of men and women in the church goes back to creation (2:13-15).

- Argument from the priority of creation in the garden.
- Argument from the reversal of roles in the garden and its consequence.
- Argument from the priority in the design and unique contribution of women.
