

A photograph of a construction site showing the foundation of a building. The foundation is a large, rectangular concrete slab with a grid of rebar (steel reinforcement) visible on top. The rebar is arranged in a grid pattern, with vertical bars and horizontal bars. The concrete is a light gray color. The background shows a dirt area with some construction equipment and materials. The overall scene is a construction site for a building foundation.

FOUNDATIONS

WE ARE BUILT ON HIS NAME

The Lord passed before him and proclaimed,
“**The Lord, the Lord**, a God merciful and
gracious, slow to anger, and abounding in
steadfast love and faithfulness, keeping
steadfast love for thousands, forgiving
iniquity and transgression and sin, but who
will by no means clear the guilty, visiting the
iniquity of the fathers on the children and
the children's children, to the third and the
fourth generation.” - **Exodus 34:6-7**

WHAT IT IS NOT...

- Simply Emotions or Routine
- Not Performance or Self-Centered
- Just Music or Singing

WHAT IT IS...

- Response to Truth
(Only God – Not Idols)
- Heart Posture/ Way of Life
- Sacrifice / Whole-Body

Biblical Worship
