## When Heaven Enters Your World

### Empowered for the Mission

Matthew 10:1-15

You know you rely on Jesus more than resources when:

- 01** You obey before you see provision
- 02** Prayer is your starting place, not your last resort
- 03** Peace remains, even when resources don't
- 04** You give boldly because God is your provider
- 05** You pursue God-sized assignments, not comfort-sized ones

We rely on resources, not Jesus, when:

- 01** We won't move without guarantees
- 02** We panic when money or tools are low
- 03** We rely on strategy more than the Spirit
- 04** We take credit for success and blame circumstances for failure
- 05** We avoid anything that requires faith. (We Stop Pursuing Opportunities that Look Impossible)
