Burning Bush Experiences

- 1 **THROUGH INTERRUPTIONS:** God may disrupt our places to get our attention. A delay or unexpected event could become a divine appointment.
- 2 **THROUGH HIS WORD (SCRIPTURE):** A Bible verse that speaks directly to your situation may be God's voice reaching into your life.
- 3 **THROUGH PEOPLE:** Counsel, encouragement, or even correction from someone may confirm what God is already stirring in you.
- 4 **THROUGH NATURE:** Creation often reveals God's majesty. A sunset, storm, or quiet trail walk can become a sacred space.
- 5 **THROUGH SONG, SERMONS, OR PODCAST:** God can highlight a line or message to break through your heart and speak clearly.
- 6 **THROUGH INNER PROMPTINGS OR CONVICTIONS:** A sense of urgency, compassion, or peace may be the Spirit nudging you to act or listen.
- 7 **THROUGH DREAMS OR VISIONS:** God may communicate insight or warning through dreams, as He did with many in the Bible.
- 8 **THROUGH PAIN OR DISCOMFORT:** Holy frustration or personal suffering can lead you to deeper dependence on and clarity from God.
- 9 **THROUGH SILENCE AND SOLITUDE:** God speaks in stillness. Disconnecting from noise can create space for clarity and calling.
- 10 **THROUGH REPETITION:** If a message, theme, or name keeps appearing, God may be highlighting something for you to turn aside and see.
