

St. Paul Child Care

Our Goals:

At St. Paul Child Care the children develop....

- * Awareness of God and His love for all people.
- * A Christian attitude toward one another.
- * A smooth transition from home to school.
- * Skill in relating to and cooperating with other children and adults.
- * Self confidence and positive self-image through acceptance, encouragement and praise.
- * Small and large muscle coordination.
- * Self-help skills
- * Curiosity through exploration of the environment.
- * Language skills
- * Appropriate ways to express feelings

The curriculum includes:

- * Bible Stories
- * Creative Art
- * Language development
- * Music and rhythm
- * Motor skill development
- * Math
- * Science
- * Social studies

Teachers:

The Child Care program is licensed by the State of Wisconsin and has a qualified and caring staff. The staff attend courses offered by the state as well as local campuses to keep abreast of the latest research in Early Childhood.

What should a parent look for in selecting a child care program?

- * Is the environment caring and cheerful?
- * Are the rooms clean, spacious, stimulating and comfortable?
- * Is there indoor/outdoor space for physical development?
- * Are the children respected and encouraged to express feelings in appropriate ways?
- * Is creativity fostered by utilizing a variety of materials?
- * Is time provided for active as well as quiet activities?
- * Does the staff maintain professionalism through continuing education?
