

Welcome to St. Paul Early Childhood Center,

Now that you are enrolled, you are eligible to start saving money for your tuition through our SCRIP program. Below you will find an explanation of the program.

If your child is currently attending Child Care, your earnings will be immediately applied to your bill. If your child will be with us beginning in September, you can bank the earnings from now until then.

### **Reduce Your Tuition with the SCRIP Program from RaiseRight**

Do you every purchase groceries, clothing, gasoline or go out to eat? If so, then this program will benefit you.

**The term SCRIP means “substitute money.” Here’s how it works:**

- the Great Lakes Scrip center purchases large amounts of scrip from retailers at a substantial discount.
- St. Paul purchases cards at a discount and sells them to you for the full **face value**.
- the discount amount is retained by St. Paul **as revenue**
- Use them just like gift cards (you do not have to spend the full amount each time you use a card.)
- ½ of the discount for each purchase is credited toward your tuition for the next month
- the other ½ of the discount goes to the ECC to help run the program.

**When can I start?** Immediately. The program is available year round so you can even participate during the summer and bank your earnings for the next school year.

**You can purchase physical gift cards:** (see the attached list of cards kept on-site at St. Paul)

- Use the order form button to print a form or pick one up at the center.
- Bring your order to the Early Childhood Center Monday-Friday during the school year or any Monday/Wednesday during the summer.
- Include cash or a check made out to “Mission Partner SCRIP.”
- If the cards you want are in stock, you will receive them that same day. If not, they will be ordered and available within 2 weeks.

**You can purchase e-gift cards which you can use immediately:**

- Go to Raiseright.com
- Set up your account
- Use the Early Childhood Center code - **66E3B9C24L659**
- If you order physical cards on this site, you will be charged up to \$15 in S&H fees. I suggest using the site for e-cards and get physical cards here at St. Paul with no S&H charge.
