NOVEMBER 2025

GIVING HIM THANKS!

PASTOR ADAM WOLFE

Then one of them, when he saw that he was healed, turned back, praising God with a loud voice; and he fell on his face at Jesus' feet, giving him thanks. Now he was a Samaritan.
—Luke 17:15-16

Dear Friends of God
through Jesus,

As we enter the month of November, our hearts naturally turn toward thanksgiving—a time to pause and remember all that God

has given and to respond in gratitude. The story of the ten lepers in Luke 17 reminds us of what true thankfulness looks like. Ten were healed, but only one turned back to give thanks to Jesus. All had received the same gift, but only one recognized the Giver standing before him.

This true story in God's Word still speaks to us today. How often do we, too, receive God's blessings—our health, our homes, our families, our church community—and yet

move on with busy hearts, forgetting to return to Jesus with thanks? True thanksgiving begins not just with words around a dinner table, but with hearts that pause to recognize God's hand as the giver of all good gifts.

This Thanksgiving, may we be like that one who returned to give thanks. In worship, in prayer, and in our daily lives, let's stop and give thanks to Jesus—the Giver of every good and perfect gift!

Throughout the month of November here at St. Paul, our sermon series *The Endless Pursuit of More* will invite us to look deeply at the desires that so often pull our hearts away from God. We'll consider how our pursuit of comfort, perfection, and possessions can become endless when our eyes are fixed on the things of this world. Yet in Jesus, we find true lasting satisfaction and rest that nothing else in this world can provide.

We'll begin by reflecting on our desire for Comfort—how easily we turn to things or distractions to make life easier, and how God calls us instead to find true comfort in Him. Then we'll look at Perfectionism—our struggle with high expectations and the peace that comes from knowing Christ's perfect grace covers our imperfections. Finally, we'll turn to Money and Stuff—our tendency to chase after "just a little more," and the reminder that our true treasure is found in the Kingdom of God.

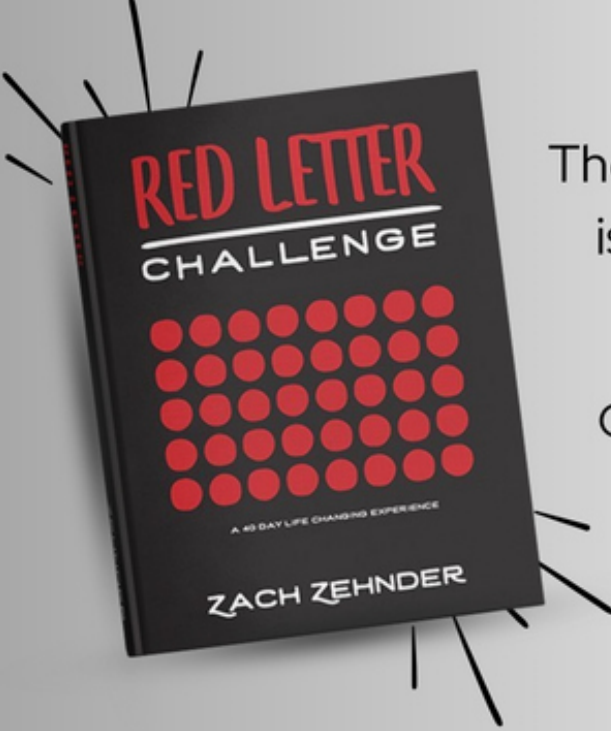

This month offers a wonderful opportunity for reflection and renewal as a congregation. It is a time to slow down, give thanks, and live each day in the joy of knowing that everything we have—our blessings, our hope, our salvation—comes from the God who gives abundantly and loves us! Our gratitude flows into generosity, our thanksgiving overflows into witness as we point others to Him. In all we do, from worship to daily living, we continue Connecting People to Christ—the source of every good and perfect gift!

October Highlights and Upcoming Events

In October, our themes were Pets, Fall/Leaves & Pumpkins, and Fire/Police and Safety. On Pet Day, the children brought a stuffed pet from home. In the gym, they took their pets through an agility course that had a tunnel, a bridge, weaving poles, a balance beam, and hoops to jump through. For Leaf Day, each child brought a leaf. We sorted them by color, size, and shape. Then they decorated paper leaves by dotting paint with Q-tips or putting drops of paint on with an eye dropper.

Our fundraiser was a success! Over \$4,000 was raised and will be used as needed for toys and materials, field trip fees, and 4K graduation. Thank you to everyone who supported our program in some way.

Parents and teachers will have some time to meet and talk about their child's progress at Parent/Teacher Conferences November 11-14.

We are also preparing for the beginning of December when we will have our Christmas service. This will be Tuesday, December 2, at 6:30 PM. The children are learning songs and fingerplays to tell the story of Jesus' birth.

CHILDREN & FAMILY MINISTRY

Sunday School

In the month of November, Sunday School children will be learning a song to sing in church on December 7. This month at Sunday School, our 3K-3rd graders will be starting a new unit whose theme is "God is Faithful." Our 4th and 5th graders will be learning about different Old Testament topics including: sacrifices, the 10 Commandments, and God's temple. As always, we continue to collect offerings at Sunday School. This year, all offerings will be going to buy animals to help feed families in different countries. In May, the children will vote on what animals they would like to buy.

AWANA

AWANA has been going very well! On November 5, we will be having our first AWANA Store of the year. All the children have been working very hard, and we are excited to see what they will purchase with their points. This month at AWANA, we will be wrapping up our unit on the 10 Commandments. Our themes this month are Western Night and Sports Night. On November 19, AWANA classes will be assembling OCC Boxes. Weekly AWANA offerings go towards Operation Christmas Child boxes. Reminder that there will be no AWANA on November 26.

Nursery

Did you know that St. Paul has a nursery? Each Sunday at the 9:30 and 11:00 AM services, we have a staffed nursery that provides free care for children birth to 4 years old. If you are attending a service when the nursery is not staffed, you are still welcome to supervise your child and utilize the space. If you have any questions regarding the nursery, contact Savannah in the Church Office.

Upcoming Family Events

November 16 - 1:00-3:00 PM - Above and Beyond Children's Museum. Cost \$5
 December 6 - 10:00 AM-12:00 PM - Birthday Party for Jesus. FREE

We had a great group of children, youth, and adults head up to Camp Luther for a Work Bee weekend event. This awesome team helped prepare camp for winter! Cottages were cleaned from top to bottom. Picnic benches, tubes, and other water items were stored away. Windows were washed, wood was hauled, highway was cleaned up, and leaves were raked! All of our photos can be seen on our church website.

Savannah will be hosting a Preparing for Adolescence Talk on Wednesday, November 12, for 4th Grade families. Parents are invited to come for a short presentation as we walk through how to talk to your child about the changes on the horizon.

Camp Luther Staff will be visiting on Wednesday, November 13. They will share with our students the awesome work God is doing through Camp Ministry! If your child is interested in attending Camp Luther this summer, please speak with Nicole or Savannah about the Every Kid to Camp program! We had 7 students from St. Paul attend last summer—can we double that number?

Youth Group and Confirmation Updates

October Youth Group was busy doing many service projects that included packages to our college students, cards to our shut-ins, blankets for children, prepping for OCC boxes, and attending service weekend up at Camp Luther. We continue strong with our Bible Study series "The Greatest."

We had an awesome group of 27 that served at FMSC and then stuck around to help with a number of service projects here at church. We put together over 300 boxes for OCC, signed cards for our shut-ins, prepped bags for Trunk or Treat, and put together 10 blankets for children.

In November, Youth Group will find us in the kitchen putting together all sorts of great meals. We also have our most popular nights of Hide and Seek and Bowling.

7th Grade Confirmation Lock-In is around the corner! Retreats and lock-ins are important times when youth and adults join together outside their elements, and there is so much growth that happens—it is awesome to see. This lock-in is always super special because it is run by college students from Concordia University Wisconsin.

THE GATHERING PLACE

LEAH ZEHEL, DIRECTOR
LEAHZ@STPAULFALLS.COM

"The Gathering Place Gives" Campaign is back. We are so thankful to everyone who gave to our campaign last year. This year we have a goal of \$45,000. These funds will help The Gathering Place and Memory Matters continue to give our families the much-needed respite at an affordable cost and will enrich the lives of our participants.

The Gathering Place is the only social model day program in Sheboygan County since 2008. We have served hundreds of individuals dealing with memory loss, and when you include the caregivers, it reaches thousands of people that have benefited from our programming. This campaign is to encourage you to donate a monetary gift towards one of our services here at The Gathering Place such as: meals, art, entertainment, outings, and volunteer training. These are the services that are essential to the success of The Gathering Place and Memory Matters.

This year we are focusing on our "scholarship fund." Over the years, we have been blessed by many donors that have kept our scholarship funds up for individuals who are having a lot of financial burdens but can still really benefit from our programming. With the continued increase in health care costs, we have basically depleted this fund over all these years. This is an important piece to our abilities in helping more individuals dealing with memory concerns.

I have been asked in the past: how do we stay open and provide such exceptional care and charge such a minimal fee? First, it is because of our volunteers, but also a very big reason is because we have been blessed by so many that are willing to donate to our program. Whether it's through fundraisers, memorials, or donations, this is what enables us to keep our participants' fees low. An average cost of a day program across the U.S. charges a participant fee that is at least \$20.00 per day higher than what we charge. And again, that is because of our successful fundraising. We are happy to be able to provide this needed program for individuals with memory loss in Sheboygan County. Help us continue our exceptional programming at an affordable cost.

ST. PAUL MEMORIAL GARDEN

The Columbarium and Memorial Garden is now complete! If you haven't visited it yet, please feel free to take a walk through. It is located on the northeast side of our property, near the shed/garage.

A columbarium is a storage facility comprised of niches, in which urns are placed. We currently have 3 columbarium units, which contain 64 individual niches each, for a total of 192 niches. Two urns can be placed in each niche. Currently, a niche costs \$2,200, which includes opening and closing costs.

Engraving is an additional cost. You can choose to have your door engraved at the time of purchase, or you can postpone that. Engraving is \$675 for a 2-person niche and \$375 for a one-person niche. This price includes any pre-existing death dates. There is an optional charge to prepay the engraving of the death date for \$300 per person. This can also be paid at the time of death at the price in place at that time.

All pricing is reviewed annually.

For an information packet and application, visit the Ministry House in the Gathering Area during the month of November. Otherwise, information packets are always available on the information wall in the Gathering Area and on our website. Please contact the Church Office with questions or to make an appointment for purchase.

CHRISTMAS BLESSINGS

St. Paul has partnered with the Salvation Army and other local agencies to provide Christmas gifts to people in need this holiday season. There are multiple opportunities for St. Paul members to get involved this year!

Wish Lists / Donations

Christmas gift "tags" will be available in the Gathering Area during services November 6-23 for anyone who would like to purchase a gift/s for someone in need. Gifts need to be returned to church by December 7. If you would like to make a financial contribution towards this ministry, you can do so by placing it in an envelope and marking it Christmas Blessings.

Adopt a Family

If you are interested in "adopting a family" for the Christmas Season, please contact the Church Office by November 23. Some suggestions for adopting a family can include purchasing gifts for the family, delivering the gifts to them, taking them a meal or even meals throughout the year, or bringing them a Christmas tree. Most importantly, this would be a family that you would pray for and with. You can choose what suits you best!

OCTOBER COUNCIL MEETING MINUTES

The Gathering Place Ministry Update: Leah Zehel reported that they are slowly building back up participants after several discharges. Currently working to balance volunteers with participants to ensure our programming remains high quality. We always need more volunteers, this would allow us to serve those on the waiting list. Leah did attend a recent health fair that did result in more volunteer interest. A volunteer training was held in September with a speaker from the ADRC, teaching about different types of memory loss, like Parkinsons and Frontal Temporal Dementia.

The Brat Fry in August was a big success, with our best financial outcome so far. November Giving preparation has begun with a goal of \$45,000, with a strong push for a scholarship fund.

Senior Pastor Update: Pr Kyle reported that 275 kids attended Trunk or Treat, with an estimate of 75% being non-members. It is a great outreach to the community.

The Pastors are reaching out to individuals 80 years and older that have had a deviation in attendance, some have now become shut ins. The Pastors are also reaching out to regular attenders that haven't attended since May.

The Chosen Bible Study has about 40-50 people attending weekly. AIM has 23 people attending and there is interest for January. The 11 am service is averaging 90 people. Staff are going over vision and values to ensure everyone has the same focus. The District Pastors Conference was last week.

In the last 28 days Youtube has had 4,374 views. We had 8 new subscribers for a total of 764.

Policy #68 – Membership for Children of Non-Members: Pr Kyle shared a new proposed policy, requiring a parent to be a member for children under the age of 18. Discussion was held. The Elder Team will discuss the proposed policy further.

LCMS Presidential Election: The Synodical Convention is in the summer of 2026, which will include a Presidential Election. The Congregation and the Senior Pastor each submit a ballot. The Congregation will cast a ballot for Pastor Richard Snow.

September Treasurer's Report: Giving continues to improve. In terms of the budget, we are short by about \$94,000 if we spend as planned, but this is improving each month. A follow up letter to the Congregation was discussed. Pr Kyle will include information in his December stewardship letter. This letter will also include other tax saving ways to donate.

LUTHERAN HIGH SCHOOL HIGHLIGHTS

MATTHEW TSCHUDY, EXECUTIVE DIRECTOR

As we head into the month of November, our hearts are overflowing with gratitude for all that God has done for us. At Sheboygan Lutheran High, we are blessed beyond measure to be able to practice gratitude for Christ-centered education, caring teachers, friends and family, and most importantly, the gifts of grace, mercy, and salvation given to us through Jesus our Savior. Take a moment to join our students, teachers, and parents in giving thanks to God for His abundant blessings to LHS.

"I'm thankful for LHS because of all the opportunities it provides. Whether it is in academics, sports, clubs, or other extracurricular activities, LHS always places an emphasis on helping students grow both as people and in their faith, which I am so thankful for!"

Aniya Zeeveld, LHS Junior

"After serving eleven years at Sheboygan Lutheran, I'm really thankful for the kind of community we have - one rooted in faith and full of people who care deeply about our students and our mission. The support from parents, coworkers, and students makes this place something special. It's a blessing to be part of a school that's truly living out its mission of preparing Christian leaders, one student at a time."

Tom Roeske, P.E./Health Teacher & Student Council Advisor

"I am thankful for the teachers at Lutheran High who encouraged me to pursue a career in ministry. I am thankful for the teachers who have guided my children during their years at Lutheran High. Lutheran High continues to be a blessing to my family, and for that I am grateful."

Jon Krueger, Crusader Alumnus & Parent, Middle School Teacher at Bethlehem Lutheran School

"I'm thankful for LHS because it allows me to build close relationships with teachers and classmates. LHS gives me a supportive environment where I can grow academically and spiritually with people of Christ."

Nylomah Albertin, LHS Junior

"I am thankful to Lutheran High School for providing an environment where our children can continue to build their faith and learn from teachers that not only teach the curriculum at an extremely high level but are doing so while displaying their own faith. I am thankful that my kids have had opportunities in sports, band, mission projects, and musicals while still enjoying the benefits of smaller class sizes. We have two sons, who are in or finished with college. It is evident that their time at LHS prepared them to succeed in not only the classroom but also in how to lead and succeed in this ever-changing world."

Doug Helmrick, Crusader Parent

"First, and most importantly, our family is thankful for Lutheran High for its unwavering commitment to teaching and leading our children in the faith. The school and teachers' commitment to high standards and academics makes the school stand apart. We are especially grateful that Lutheran High is a place for our whole family. Our college student feels welcomed back and included as an alumnae. Our LHS student has many opportunities to participate in a wide range of extracurricular activities and to support and cheer on her classmates. Our elementary-aged son is always greeted and included when we attend events. Our whole family is proud to call Sheboygan Lutheran 'our school.'"

Kim Roethel, Crusader Parent & Resource Teacher at Trinity Lutheran School

"I give thanks to you, O Lord my God, with my whole heart, and I will glorify your name forever."
