Sermon Text: Romans 6:23

Sermon Outline:

1. Living Under the Death Shadow
2. Living with the Eternal Gift
3. Living for what Really Matters

Questions:

1. How is it evident in human life that the ultimate reality of death hangs over every single human being?
2. What are some of the ways that people try to cope with, delay or divert their attention away from this reality?
3. Why must the wages of sin be paid? Why can't God just sweep all the sin under the rug and say, "No worries about all that. Everyone is fine and forgiven and has eternal life."
4. What are the areas where you are still serving sin and can you see how that sin brings bad "wages" into your life?
5. How can you live with more fearless freedom through the transforming power of the gospel working itself out in your life?
