Do you desire a personal, spiritual awakening? Is your heart longing to see revival in our day? Are you willing to let God turn His searchlight on your own spiritual condition?

The psalmist said, "You who seek God, let your heart revive." ~ Psalm 69:32b NASB ~

Dear Father, as we seek You with all our hearts, my prayer is that You will reveal Yourself to us in a fresh way, that You will revive our heart, and that You will be manifested in and through our life. Father, let revival begin with me.

In Jesus' name I pray. Amen.

Continuing in prayer...

Seeking wisdom to live in God's ways and to receive His guidance, through the indwelling of His Holy Spirit.
