		Hi, Amelie! I hardly ever get to see you anymore…
00:19:52	Lin Edge:	Breathing with you, Rev. V
00:39:48	The Open Church:	I guess it depends on where you are...we certainly bring food (and paper goods) to people that are grieving.
00:42:42	Amelie Landry:	Yes, you do, and some still do, but the practice waned!
00:48:19	Wanda Walker:	Preach
00:49:24	Lin Edge:	I want better laws to allow us to protect our elders from their incapacities…the cause of this tragedy was an incapacitated (by age) driver…I want my sister and others grieving to have ways to turn grief to action that heals that grief.
