

A group of four people, dressed in winter gear, are shoveling a large pile of snow in front of a house at night. The house has a warm, glowing light emanating from its windows and a red door. Snow is being tossed into the air, creating a dynamic and festive atmosphere. The scene is set in a snowy environment, with the house's exterior and the surrounding landscape covered in a layer of white. The people are working together, with one person on the left, one in the center, and two on the right, all focused on clearing the snow. The overall mood is one of community and shared effort in a winter setting.

Fellowship

Acts 2:42-47

*What were the
priorities of the
new community?*

42 They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. **43** Everyone was filled with awe at the many wonders and signs performed by the apostles. **44** All the believers were together and had everything in common. **45** They sold property and possessions to give to anyone who had need. **46** Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, **47** praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.
