We are a MULTI DENOMINATIONAL CONGREGATION

The people of Big Canoe Chapel embrace one another without regard to differences in denominational background or bias. Setting aside those differences, as professed followers of Jesus, we focus on the many, many things that unite us. Worshipping with one another and caring for one another, we respectfully choose to serve alongside each other.

Through our personal relationship with Christ, study of the Word, and led by the Holy Spirit, each of us will seek to represent the Body of Christ and help others grow in grace. We will intentionally extend the love and reconciliation of Christ to all.

MUSIC NOTES:

Today's organ music features works by late 20th century Americans. Both works are based on familiar hymns, set to modern harmonies and accompaniments that bring out the meaning of the texts. Fittingly, both also relate to today's sermon about the importance of Jesus to Christians.
