

Hiram's Unconditional Surrender

1 Corinthians 1:26-31

God calls the local church to see how He empowers those that the world overlooks.

God is calling the local church to see how He uses;

1. people that the world considers nothing. v26-29, Matthew 11:25, James 3:13-17
 - a. unwise
 - b. weak
 - c. common

2. people that Jesus has transformed. v30-31, Romans 12:2, Ephesians 4:22-24
 - a. with wisdom
 - b. with righteousness
 - c. with sanctification
 - d. with redemption

Job 5:8-11

“As for me, I would seek God, and to God would I commit my cause,
who does great things and unsearchable, marvelous things without number:
he gives rain on the earth and sends waters on the fields;
he sets on high those who are lowly, and those who mourn are lifted to safety”.

God does not call the equipped, He equips the called.
