[illegible]

1. **If Jesus wrote a letter to me today, what would He commend—and what might He lovingly challenge?** Where do I see evidence of faithfulness in my life, and are there any warning signs that I have begun to lose my first love?
2. **What is currently competing with Jesus for first place in my heart?** If someone looked at my calendar, my spending, my conversations, and my thoughts this past week, what would they say I value most?
3. **Where have I slowly drifted without even realizing it?** Have small compromises, distractions, or excuses pulled me away from the passion and devotion I once had for Christ?
4. **What is one practical step I can take this week to put Jesus back at the center?** Is there something I need to surrender, someone I need to invite into accountability, or a distraction I need to fast from in order to make room for Him again?
