Reflection during the week...

1. Where have you seen God remain faithful in your life, even during seasons of wandering, doubt, or delay?
2. Is there an area of your life where fear, pride, control, or disobedience has kept you spiritually stuck? What step of obedience is God asking you to take?
3. Are you trying to earn God's approval through performance or perfection instead of resting in His grace and love?
4. What would covenant faithfulness look like for you this week through daily surrender, trust, and obedience to Jesus?
5. What is one practical step you can take this week to intentionally remember God's faithfulness and grow closer to Him?
