Reflection during the week...

1. Moses called Israel to love God with all their heart, soul, and strength. What area of your life is hardest to fully surrender to God right now, and what would it look like to choose Him in that area this week?
2. Moses reminded the people that God's covenant was built on His faithfulness, not their perfection. How does knowing that God chose and loves you by grace—not because you earned it—change the way you approach Him when you fail?
3. Moses warned that life apart from God leads to confusion and frustration because we were created for Him. Where have you been tempted to look for purpose, identity, peace, or satisfaction outside of God, and what has that pursuit taught you?
4. Jesus said that loving God and loving others are inseparable. Who is one person this week that God may be calling you to love intentionally through encouragement, forgiveness, service, or simply being present?
