## GRANBERG LODGE RESTORATION PROGRESS

Work continues steadily inside Granberg Lodge. New flooring is currently being installed throughout the dining hall and kitchen areas, and cabinetry and kitchen infrastructure are beginning to take shape.

Downstairs, insulation is now complete and drywall has been delivered to the site. Installation will begin soon as work moves into the next stage of rebuilding.

Each step forward brings the lodge closer to welcoming campers, churches, and families back into this space.

"Let us rise up and build!"  
So they strengthened their hands for the good work.  
Nehemiah 2:18
