

## THE PROOF OF LOVE! 💕

**If you love me, where is the proof of that love?**

**The Proof of Love/ 1-** is the willingness to Listen/ I call it the ministry of the hearing ear...

Everyone needs a hearing ear... someone to listen. I say it this way, everyone needs an outlet; for without it you become like the Dead Sea. And because she has no outlet whatever whines up in there, eventually dies and begins to stink. That's the problem with so many people... they're like a walking time bomb ready to go off at any time, because they have never had someone that was willing to listen and so they bottle up all this stuff in them until it became a volcano ready to explode...

Aren't you glad Our God is willing to listen? This is why Confession is good for the soul.

Listen to **Psalms 62:8** Trust in him at all times; ye people, pour out your heart before him: God is a refuge for us. Selah.

The proof of Love is the Willingness to Listen...

**2-** is the desire to give/ John 3:16

**2 Corinthians 8:8** I speak not by commandment, but by occasion of the forwardness of others, and to prove the sincerity of your love.

Many times the proof of Love is the Investment of time... whatever you give your time to reveals what you love...

**3-** is the obsession to protect/ whatever you Love, you will Protect, I don't care if it's a dog, a bike or a person... the proof of Love is your obsession to Protect...

**Deuteronomy 32:9-10** "For the LORD's portion is his people; Jacob is the lot of his inheritance. He found him in a desert land, And in the waste howling wilderness; He led him about, he instructed him, He kept him as the apple of his eye."

**Zechariah 2:5** For I, saith the LORD, will be unto her a wall of fire round about, and will be the glory in the midst of her. 🔥🔥🔥🔥

4- is the willingness to change/ The successful Life is one of constant adjustments... the TV vision in Glendridge

When I was young in the Lord I heard someone say... God Loves you just the way you are... But he Loves you too much to leave you that way... change is not change until there's change... not change for the worse but change for the better...

The shortest book I ever read... only 5 chapters

1- I walk down the street there's a deep hole in the sidewalk... I fall in I'm lost I'm helpless... it isn't my fault and it takes forever to find my way out... 2- I walk down the same street... there's a deep hole in the sidewalk... I pretend I don't see it... I fall in again, I can't believe I'm in the same place, but it isn't my fault... it still takes a long time to get out... 3- I walk down the same street there's a deep hole in the sidewalk, I see it it's there, I still fall in, it's a habit, it is my fault, I know where I am, I get out immediately 4- I walk down the same street, there's a deep hole in the sidewalk, I walk around it... 5- I walk down another street! Change is not Change until it's Change!

**2 Corinthians 3:18** But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord.

5- is the readiness to forgive/ I'm a firm believer, that your greatest contribution to any relationship is your readiness to forgive... expound!

At the same time in every relationship you have to know when to hold them and want to fold them, cause not every relationship is meant to last forever... most relationships in life are for a season, some for a reason, and few are for ever... what I call keepers... them, you fight for, them, you protect, them you need to be ready to forgive...

If they're not a keeper, Forgive, but don't create intimacy, forgive without any expectation of them changing... because forgiveness is not the gift you give

the person who hurt you, forgiveness is the gift you give yourself, so you can enter your tomorrow without sorrow...

It doesn't take courage to Gossip and talk about people, it takes courage To forgive and pray for people...

**6- is the willingness to Correct A child left to himself brings his mother to shame...**

7- is the capacity to sacrifice... without sacrifice there is no real proof of Love... This alone would take me a whole book to talk about, but I know you know exactly what this means... I know you have been there , so write this chapter yourself and as you do, thank God he's brought you this far...

**8- is the tenacity to Hope... Even when all seems lost and darkness falls, Hold tight to the glory of Hope, never let her go**

**Psalms 27:13** I had fainted, unless I had believed to see the goodness of the LORD in the land of the living.

What is Hope? Hope is Heavens Breath of Life... it is mana from heaven... it is a lamp unto our feet, a light into our path...

Without Hope we cease to live and we just exist...!!!!

This is why Hope is your future Glory, the bright light shining within your soul leading the way...

This is why You must always have something in front of you... something you're reaching for... (Hope) something worth getting up in the morning for... (Hope) something that makes you feel alive... (Hope) Cause once you loose that... you're on a crash course with misery and despair...

Here's the good news... years ago my Heavenly Father gave me a spirit that refuses to be broken and that spirit is called Hope...

And freely as I have received, I now impart this spirit unto you... a Spirit that refuses to be broken and that spirit is called HOPE

**LEARN TO EMPTY YOURSELF OUT BEFORE GOD, CAUSE IF YOU STAY FULL GOD CANNOT FILL YOU... IS ONLY WHEN YOU'RE EMPTY THAT GOD CAN FILL YOU AGAIN...**

now, in every relationship you have to know when to hold them and want to fold them, cause not every relationship is meant to last forever... most relationships in life are for a season, some for a reason, and few are for ever... what I call keepers... them, you fight for, them, you protect, them you

of someone continues to hurt you many times that's a sign not to hold but to let go and you can forgive, but you let go at the same time... is

Do you love me and if you love me where is the proof of that love?

your greatest contribution to any relationship is your readiness to forgive/ in every relationship you have to know when to hold and want to let go cause of someone continues to hurt you many times that's a sign not to hold but to let go and you can forgive, but you let go at the same time... is the willingness to Correct

I discovered hopes greatest enemy is Worry and fear... and once you open the door to them, they will drown out hopes voice...

Father you have given me a spirit that refuses to be broken and that spirit is called Hope

You can't live in the past... You must always have something in front of you... something you're reaching for... (Hope) something worth getting up in the morning for... (Hope) something that makes you feel alive... (Hope) Cause once you loose that... you're on a crash course with misery and despair...

Do you love me and if you love me where is the proof of that love?

As long as there is living hope that means the light is still shining, but once the light goes out and all that you see before you is total darkness... How you ever been there? I have! !!

There's been times when all I wanted was for the Lord to take me home, for I felt there was nothing left to live for...
