## Further Reflection on 5/24

1. In what areas of my life am I tempted to choose the "wide path" because it feels easier, more comfortable, or more accepted?
2. What does the "narrow path" practically look like in my everyday life right now?
3. Who or what most influences my understanding of Jesus right now?
4. Do the voices I listen to consistently lead me toward humility, love, service, and Christlikeness—or toward fear, pride, anger, and division?
5. What kind of "fruit" do I see in the lives of the people I follow spiritually?
6. What would it look like for my faith and my actions to become more balanced and integrated?
7. What is one practical step I can take this week to walk more intentionally on the narrow path?
