

He Makes All Things New Discussion Questions

Revelation 21:1-8

Rev. Brian Bill

October 17-18, 2026

1. What do you picture when you think of a new heaven and new earth? Why will there be a need for a new heaven and new earth?
2. What does the phrase “and the sea was no more” mean? How do you feel about this? Will it matter to us when we get there? Why or why not?
3. What does it mean that the “dwelling place of God is with man?” What will it be like to have unhindered fellowship with God? What will it mean to have God’s presence and not just blessings or benefits?
4. What do you imagine we will be doing in Heaven? What does the Bible say about it (Revelation 2:7, Romans 14:10-12, Revelation 7:11, Revelation 22:3)? How does your imagination differ what the Bible says? Does this sound like something you want to do for eternity? Why or why not?
5. Why do you think there will be tears in Heaven for Jesus to wipe away? After He wipes them away, will we cry anymore in Heaven? Why or why not?
6. How hard is it for you to imagine no grief or sadness in Heaven? What are the things that cause grief and sadness here on earth? What happens to those things? What happens to our memory of things that happen on earth?
7. What will it be like for everything that you see to be brand new? If things on earth are beautiful under the curse, how much more so will things be in Heaven when the curse no longer exists?
8. What do you long for? How will God be able to fulfill that longing in Heaven?
9. Are you fully surrendered to God? What part of your life do you have trouble giving over to Him? Why?
10. What do you think of the list of people who will suffer in the lake of fire? Have you ever done some of those things? Does that mean you won’t go to Heaven? Why or why not? What covers our sins?
