

Bible Reading Plan 2026

June 2026 - The Need for Faithfulness

The book of 2 Samuel recounts the establishment of David's reign and rule over the children of Israel. David is the most well-known of Israel's kings, he wrote many Psalms and is often referred to throughout Scripture. However, David's sexual sin and others that followed had devastating consequences on himself, his family, and God's people for generations to come. His son Solomon, who ruled after him, likewise had many successes and failures. God granted him much wisdom, he was responsible for the building of the first temple and for writing a handful of the books of the Bible. Yet if we learn anything from their lives, it is the fact that starting well is one thing, but finishing well is a completely different thing. God calls us to faithfulness both in season and out of season, and we will not be fully sanctified until we meet God in Heaven.
