# Miracles or Coincidences

*John 15:1-8*

## Main Idea

Because Jesus is the true vine, believers must abide in Him if they are to bear lasting fruit.

## Introduction

The video clip raises a key question: Is life just a series of \_\_\_\_\_, or is God actively at work?

In John 15, Jesus teaches that spiritual life is not sustained by self-\_\_\_\_\_, but by abiding in \_\_\_\_\_.

### 1. Jesus is the \_\_\_\_\_ vine.

John 15:1

Jesus does not offer one source of life among many; He is the true and only source of \_\_\_\_\_ life.

The Father is the \_\_\_\_\_, who carefully tends the vine.

### 2. The Father \_\_\_\_\_ every fruitful branch. John 15:2

Pruning may be painful, but it is always \_\_\_\_\_.

God cuts away what is unhealthy so that we may bear \_\_\_\_\_ fruit.

### 3. Abiding in Christ is the key to \_\_\_\_\_. John 15:4-5

A branch cannot bear fruit by itself; it must remain \_\_\_\_\_ to the vine.

Jesus says, "Apart from Me you can do \_\_\_\_\_."

Fruitfulness is the result of \_\_\_\_\_, not merely activity.

### 4. A life disconnected from Jesus becomes \_\_\_\_\_. John 15:6

Separation from Christ leads to spiritual dryness, weakness, and ultimate \_\_\_\_\_.

The warning reminds us that outward religion is no substitute for inward \_\_\_\_\_.

### 5. Abiding shapes our \_\_\_\_\_ and glorifies the Father. John 15:7-8

When Christ's words remain in us, our desires are shaped by His \_\_\_\_\_.

Bearing much fruit brings \_\_\_\_\_ to God and shows that we are Christ's disciples.

## Application

Am I trying to produce fruit through effort alone, or am I truly \_\_\_\_\_ in Jesus?

Am I interpreting life through fear and \_\_\_\_\_, or through faith in God's presence and purpose?

## Closing Challenge

The branch is not called to impress the vine; it is called to stay \_\_\_\_\_ to the vine.
