Greetings Clerk and Moderator *(use their names)*

Every year, the Lake Huron Presbytery's Commission on Ministry and Ministry Preparation names liaisons to provide support and encouragement to our churches. This year we have slightly modified the liaison roles to accommodate fewer COMMP members while still providing any support you may request. Going forward, the COMMP Transition Team will be your liaisons. They will provide assistance with churches in transition, questions regarding pastor/session relations, training, etc. If needed, they will collaborate with presbytery staff and other COMMP and presbytery committee members to provide guidance.

If you would like to discuss a question, ask for assistance, or have any comment or issue you would like to discuss, please contact any member of the Transition Team or call the presbytery office. The names, regions and emails are listed below.
